

GOLDEN EMBER

GOLDEN EMBER

One Ember, Five Worlds / The Story on Your Plate

A great meal isn't just served — it's remembered. That's the promise Golden Ember was built on.

As Panvel's first multi-cuisine premium restaurant, we've gathered the world onto one table. The spice of India. The fire of Mexico. The soul of Italy. The comfort of America. The balance of Pan-Asia. Five cuisines, one kitchen, one story — different every time you visit.

Our chefs handpick the finest each morning, and perfect every dish until it's exactly right. What arrives at your table isn't just food — it's a moment we've been crafting since very long time before you sat down.

So take your time, Turn the page & Let the story unfold.
